Health**  
Graduate Program

université  
de **BORDEAUX**

Application form  
Digital Public Health Graduate Program  
2018  
International interdisciplinary PhD thesis

**APPLICATION FORM**

**Academic year 2018/2019**

**NAME – First Name :**

**Education :**

List your degrees from your high school diploma to your university degree(s)

<b>Year</b>	<b>Degree / cursus</b>	<b>Grade / rank</b>	<b>University / institution</b>	<b>Country</b>

**Research Proposal**

Specialty :

Name of future PhD supervisor :

Email :

**Thesis title** :

Research Unit :

**Thesis supervisor's recommendation on the research project and the candidate :**

**I, \_\_\_\_\_ commit to supervise**

**Date :**

**Signature :**

**Research Unit director's recommendation on the research project and the candidate:**

**Date :**

**Signature :**

**Section A**

NAME :	First Name(s) :
--------	-----------------

Date of Birth:

Country of Birth:

Nationality:

Male            Female

E-mail:

Single           Married

N° of children:

Contact address:

Phone number: *(please specify the international prefix)*

---

## **Section B**

### **B.1**

French master degree or any other equivalent French degree

Degree's title :
Discipline :
Date of graduation :
University :
Grade (mention) :
Title of master's dissertation and name of supervisor :

Master degree from any other country

Degree's title :
Discipline :
Date of graduation :
University :
Grade (or ranking) :
Title of master's dissertation and name of supervisor (if relevant) :

Students awarded a « validation des acquis » under article [L. 613-5 of the code de l'éducation](#) (please join all supporting documents of the validation) - only available to French students

Other higher education degrees (undergraduate and/or degrees awarded in other disciplines) :

## **B.2**

### ➤ **Thesis speciality:**

- Ethnologie, option anthropologie sociale et culturelle
- Etudes anglaises : langue de spécialité, didactique de la langue
- Pharmacologie, option Pharmaco-épidémiologie, Pharmacovigilance
- Psychologie
- Santé publique
  - Option Biostatistique
  - Option Epidémiologie
  - Option Informatique et Santé
- Sciences cognitives
  - Option Ergonomie
  - Option Sciences cognitives
- Sciences de l'éducation
- Sciences et techniques des activités physiques et sportives
- Science politique
- Sociologie

### ➤ **Research Unit**

- UMR 5115 - Les Afriques dans le Monde (LAM)
- UMR 5116 - Centre Émile Durkheim - Science politique et sociologie comparatives (CED)
- UMR 5218 - Laboratoire d'Intégration du Matériau au Système (IMS)
  - Equipe interne : Ergonomie des Systèmes Complexes.
- UMR 5319 – Passages
- UMR 5287 - Institut de Neurosciences Cognitives et Intégratives d'Aquitaine (INICIA)
  - Equipe interne : Perception auditive
  - Equipe contrôle sensorimoteur hybride – HYBRID
- UMR\_S 1219 - Bordeaux Research Center for Population Health (BPH)
  - Equipe : Psychoépidémiologie du vieillissement et des maladies chroniques
  - Equipe : VIH, cancer et santé globale dans les pays à ressources limitées
  - Equipe : Epidémiologie intégrative et génétique du vieillissement cérébral et vasculaire
  - Equipe : Exposition vie entière, santé, vieillissement
  - Equipe : Biostatistique
  - Equipe : Santé et réussite des jeunes
  - Equipe : Prévention et prise en charge des traumatismes
  - Equipe : Cancer environnement – EPICENE
  - Equipe : Médicament et santé des populations
  - Equipe : Statistiques pour les big data en santé – SISTM
  - Equipe : VIH et hépatites virales : épidémiologie clinique et santé publique
  - Equipe : Economie et management des organisations de santé
  - Equipe : Informatique appliquée à la santé
  - EA 4136 - Handicap Activité Cognition Santé (HACS)

  - EA 7437 - Laboratoire Cultures, Education, Sociétés (LACES)
  - EA 7441 - Laboratoire d'épistémologie et didactique disciplinaire, professionnelle et comparée (Lab-E3D)
  - EA 7440 - Laboratoire Cultures et Diffusions des Savoirs (CeDS)
  - UR IRSTEA Bordeaux
  - Equipe : Environnement, Acteurs et Dynamiques Territoriales (EADT)

## **Section C**

- cotutelle (*please complete section C.1*)
- international codirection (*please complete section C.2*)
- co-supervision (*please complete section C.3*)

### **C.1 – Cotutelle**

Name of the partner university/institution :  
Address :

Name of the research unit :  
Name of the supervisor :  
Discipline :  
Email :

Specify the amount of the annual tuition fees at the partner institution :

As a reminder, the graduate program does not cover the tuition fees. If any support is planned to help the student covering the tuition fees, please specify :

Please indicate any other information that can clarify the double degree conditions set up by the partner University :

### **C.2 – International codirection**

Name of the partner university/institution :  
Address :

Name of the research unit :  
Name of the supervisor :  
Discipline :  
Email :

### **C.3 – Co-supervision**

Name of the co-supervisor :

Title :

Section CNU / discipline :

University / institution :

Name of the research unit :

Email :

---

**Section F : Research proposal**

**Thesis provisional title**

**Abstract (1 page)**

*Clear research question and its originality and/or significance*

*Objective(s) and hypotheses*

*Methods*

*Expected impact*

**Introduction (max. 2 pages)**

*Description of the topic of interest*

*Definition of a clear research question*

*Originality and/or significance of the research question*

*Objective(s)*

*Hypotheses*

**Positioning of your research (max. 2 pages)**

*A review of relevant literature and theories relating to your proposed research questions showing you understand the major lines of argument that have been developed and the ideas and findings of key researchers working on your topic*

**Research methods you plan to use (max. 2 pages)**

*Indication of the subjects of your research (population under study)*

*Indication of the form and location (geographical area in which the study will take place with advantages and disadvantages of this choice) of any empirical work you plan to undertake*

*Indication of where and for how long you might collect any relevant data and/or sources of information (databases) you might need*

*Indication of methods for data analysis*

**Expected impact and calendar (max. 2 pages)**

*Indication on how you envisage your research will contribute to debates and discussions in your particular subject area*

*Possible international and/or local collaborations within your research proposal*

*Provisional timetable (anticipated activities)*

**Bibliography listing the books, articles and websites you have referred to (max 1 page)**
