

# Ecole d'été Isped

*Demandes d'exonération et bourses*

## Isped Summer School

*Exemption requests and scholarships*

### Module MEDIATION

Soutenu par Santé publique France, ce module offre aux personnes ayant un besoin professionnel concret la possibilité de demander une exonération partielle de 50% du tarif de leur inscription.

Les candidatures (CV + lettre de motivation) sont à envoyer à Stéphanie Vandentorren : [stephanie.vandentorren@u-bordeaux.fr](mailto:stephanie.vandentorren@u-bordeaux.fr).

**Attention, nombre de place limité.** Ne tardez pas !

Co-funded by  
the European Union

### Module IMPULSE

This teaching module is part of the ENLIGHT Thematic Network (ETN) project IMPULSE ("Interdisciplinary Network on the Impact of Sex and Gender in Health").

The ETN offers travel and accommodation grants for students and staff from partner universities (Comenius University in Bratislava, University of the Basque Country, University of Bern, University of Göttingen, Uppsala University, University of Galway), and free registration for students and staff from the University of Bordeaux.

As the number of funded grants is limited (1 to 3 per partner university; 15 free registrations for the University of Bordeaux), applications will be selected. Please send a CV and a motivation letter by email to your university coordinators before 1 March 2026, using the subject line: «IMPULSE Summer School Grant Candidature». Applicants who are not selected will be invited to register normally at their own expense before 31 March 2026.
